Upcoming Events

September 7: Steam Engine Days Parade in Mabel, MN

September 24: MiBroadband Community Appreciation Event in Preston, MN

10-Digit Dialing

Now in effect, all local calls made within the 507 area code region must be placed using 10 digits (area code + the 7-digit telephone number). Calls placed using just 7 digits will not be completed. For example, when calling our office you must now dial 507-886-6422 even if you are calling from a local number.

Keep your kids connected and safe this school year

Back to school is just around the corner and we know that you're looking for ways to make sure your kids have everything they need to succeed. That's why we're excited to offer you these tools to help!

- Fiber internet packages up to 1 Gig for lightning-fast connectivity without the lag
- InControl Wi-Fi for a secure and optimized network, with cyber security and parental control options available
- Enhanced content controls to block inappropriate websites and apps
- Healthy screen-time features so you can set limits and get alerts if your kids visit unauthorized sites
- Peace of mind knowing that you're in control and your kids are safe and secure online

We know that parenting in the digital era can be stressful. That's why we want to give you the peace of mind that comes with knowing your children are safe and secure online. Let us help you make this school year easier!

Get Discounted Phone or Internet Service with Lifeline

Access to affordable voice and internet service is vital to stay connected in today's world. People need these services to connect with healthcare providers, potential employers, educational programs, and loved ones. Affordable service remains a challenge for many low-income consumers. The federal Lifeline program helps close the gap for these consumers by offering a monthly discount of up to \$9.25 towards a qualified household's phone or internet service. A household is a group of people who share income and expenses. Consumers who live with another person already receiving the Lifeline benefit may still be eligible for the discount if they do not share income and expenses with that person. Households with income at or below 135% of the federal poverty guidelines are eligible for the Lifeline program. Consumers enrolled in a government assistance program, such as Supplemental Nutrition Assistance Program (SNAP), Medicaid, Federal Public Housing, Veterans Pension or Survivor's Benefit may qualify for Lifeline as well. Consumers can apply online at www.LifelineSupport.org or by stopping into our office for a paper application. You may also submit questions via email to LifelineSupport@usac.org or by calling (800) 234-9473.

Directory Cover Photo Contest

It's that time again to start thinking about the next directory cover! Get those cameras out and send us pictures taken in our service area for a chance to be on the 2025 directory cover and to win a \$50 bill credit! Submissions can be sent to our email address at support@mibroadband.com
